Unmapped vs unmapped contigs

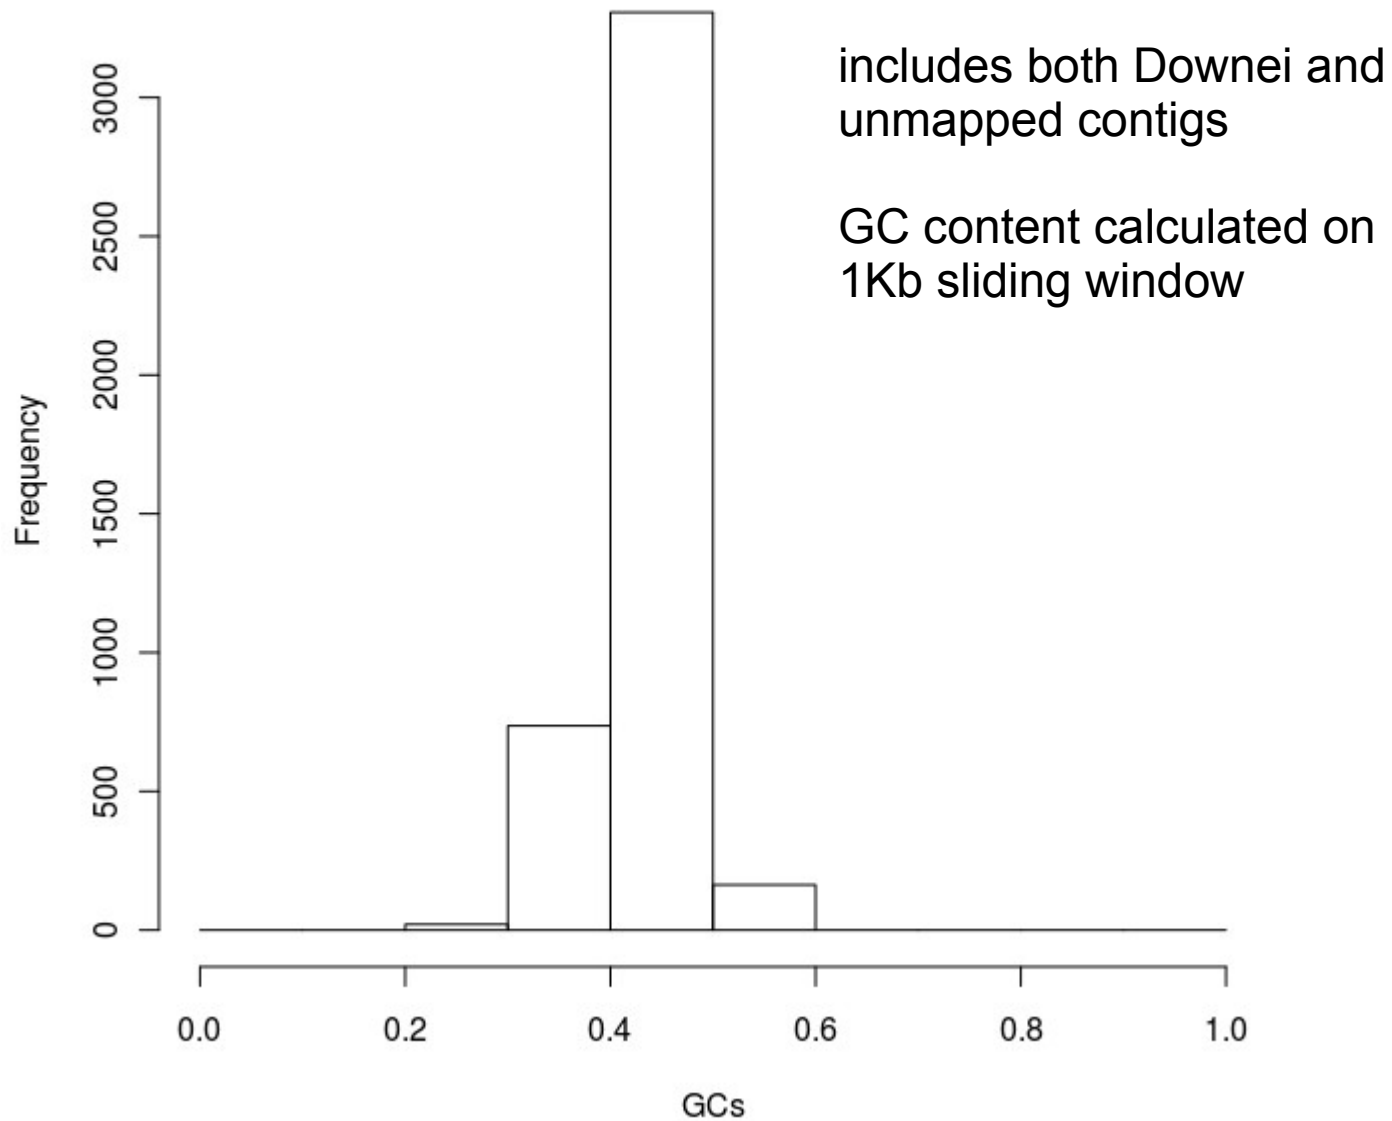

Downei vs Downei contigs

MUMer plots

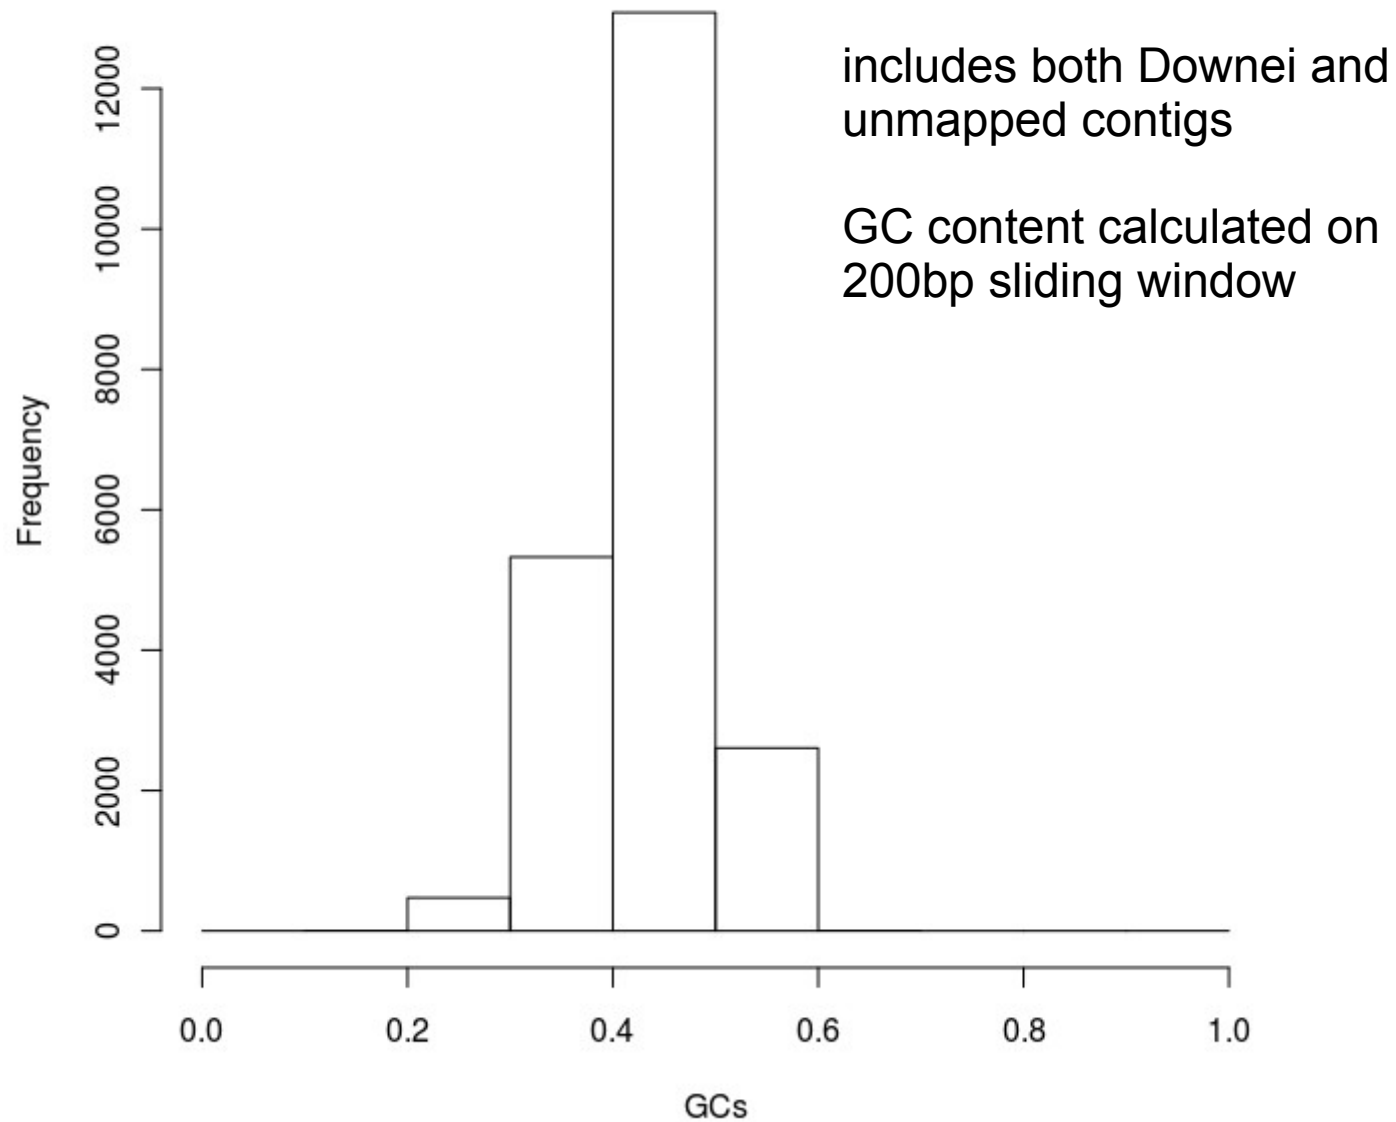

Downei vs unmapped contigs

Histogram of GCs content frequency

includes both Downei and unmapped contigs

GC content calculated on 1Kb sliding window

Histogram of GCs content frequency

includes both Downei and
unmapped contigs

GC content calculated on
200bp sliding window

GC content VS contig length
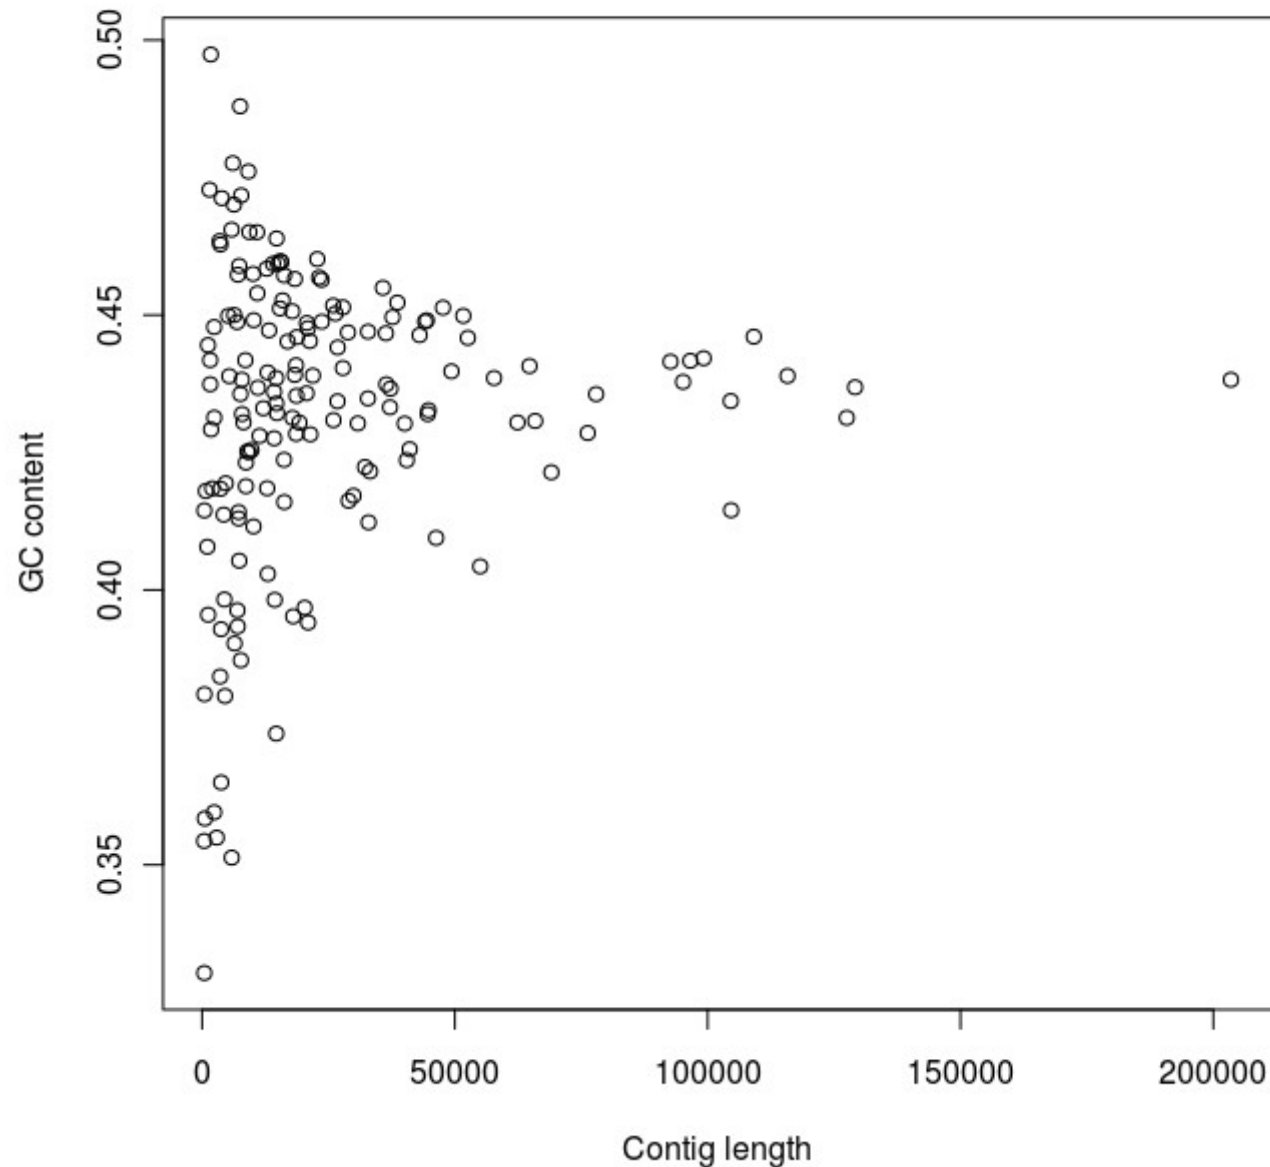

includes both Downei
and unmapped contigs

GC content is calculated
along the length of the
entire contig
